SELA

DOP: La Rioja

Type wine: Tinto Crianza

Grape: Tempranillo, Garnacha and Graciano

Alcohol: 14% Vol.

Sela pretends to be a wine to be approached from his youth, but with all the character that has led to Bodegas Roda's stardom. With a still short route in the market, it has become a safe bet both for newcomers to the world of wine and for experts who know the wines of the DOC Rioja.

It is a fruity and juicy wine, fresh and succulent, made with grapes from sustainable vineyards between 15 and 30 years old, ready to be consumed since its arrival on the market, thanks to a lesser aging than that received by its brothers. Both their alcoholic and malolactic fermentation happen spontaneously in oak vats and, the subsequent aging, in French oak barrels. Then it is naturally stabilized and clarified with egg before bottling.

It has a cherry color covered with ruby highlights and boasts a fruity nose (blackberries and cherries) and a spicy nose. On the palate it is juicy, it shows enough weight and its tannins, still somewhat sturdy, predict a good future, although they do not prevent you from tasting it immediately. It enjoys great balance thanks to a vibrant acidity and exhibits all the stately character so common in the wines of Bodegas Roda. It transmits Mediterranean sensations, with herbal and balsamic tones covering an omnipresent fruit that is interspersed with subtle cocoa memories at the end.

Undoubtedly, Sela is already a great wine with its own character that improves vintage after vintage and that supposes a magnificent access door to the wines of Roda.

Las uvas de las microparcelas esparcidas por la zona se miman hasta la extenuación para obtener un vino noble y robusto.

Sus ribetes violáceos hablan de frescor mientras que su corazón opaco denota muy a las claras su fuerte personalidad. CM DE MATARROMERA

DOP: Rioja

Type wine: 12 months

Grape: Tempranillo

Alcohol: 14% Vol

CM es un vino magnífico para cualquier maridaje. Nuestra sugerencia es hacerlo con todo tipo de legumbres, con carnes, guisos y asados. Puede tomarse de copeo antes de comer, con aperitivos, embutidos, quesos y pescados blancos y azules.

Procedente de nuestros viñedos con una edad entre los 30 y 80 años situados en la zona más alta de la Sonsierra. Son parcelas muy próximas a Bodega Carlos Moro con el nombre de Gallomate, San Martín y La Rad, con una altura de 610 metros y suelos de textura franco arcillosa. Sus suelos y su peculiar climatología son los causantes en gran medida de la calidad de sus vinos ya que la sierre provoca el efecto “Foehn” que protege a los viñedos de los vientos fríos procedentes del norte llenos de humedad tras acariciar el Mar Cantábrico.

CM is a magnificent wine for any pairing. Our suggestion is to do it with all kinds of legumes, with meats, stews and roasts. It can be drunk before eating, with appetizers, cold cuts, cheeses and white and blue fish.

From our vineyards with an age between 30 and 80 years located in the highest area of the Sonsierra. They are plots very close to the Carlos Moro Winery with the names of Gallomate, San Martín and La Rad, with a height of 610 meters and clay loam soils. Its soils and its peculiar climate are largely responsible for the quality of its wines since the saw causes the “Foehn” effect that protects the vineyards from the cold winds coming from the north, full of humidity after caressing the Cantabrian Sea.

13 CANTAROS NICOLAS

DOP: Cigales

Type wine: 8 months

Grape: Tempranillo

Alcohol: 14% Vol

Sacó su navaja del bolsillo del pantalón, lugar donde residía desde que su padre se la regaló cuando era niño, y con ella grabó «debo 13 cántaros a Nicolás» sobre la pared de barro a la entrada de la sisa que pertenecía a su hermano. Era la bodega de sus abuelos, que ellos recordaran.

La deuda de vino era para llenar el tino, huyendo de la oxidación, favores comunes entre vecinos y familiares porque la subsistencia era asunto de todos. Todo parece indicar que la deuda no se saldó y hoy la sacamos también provecho. Era de honra no cobrarla por los muchos favores intercambiados y de honra también no borrarla, porque dichos favores no se olvidan. De honra también es recordarla y aquí lo hacemos.

Este vino es un homenaje a su legado, a las tradiciones de Fuensaldaña y de la **Denominación de Origen Cigales**. Es un vino más fresco y afrutado que César Príncipe, pensado para disfrutar como lo haría el abuelo, en una merienda y con amigos. Esos momentos impagables que regala el vino.

He took his knife from his trouser pocket, the place where he had resided since his father gave it to him as a child, and with it he engraved "I owe 13 jugs to Nicolás" on the clay wall at the entrance to the armhole that belonged to his brother. It was the cellar of his grandparents, that they would remember.

The wine debt was to fill the barrel, avoiding oxidation, common favors between neighbors and relatives because subsistence was everyone's business. Everything seems to indicate that the debt was not settled and today we also take advantage of it. It was honorable not to charge her for the many favors exchanged and honor also not to erase her, because such favors are not forgotten. It is also honoring to remember it and here we do it.

This wine is a tribute to his legacy, to the traditions of Fuensaldaña and the Denomination of Origin Cigales. It is a fresher and more fruity wine than César Príncipe, designed to be enjoyed as your grandfather would, in a snack and with friends. Those priceless moments that he gives wine as a gift.

EL BUSCADOR CRIANZA

DOP: La Rioja

Type wine: 14 months

Grape: 90 % Tempranillo - 10% Graciano

Alcohol: 13,5% Vol

El Buscador es un tinto de media crianza en su resultado, aunque en realidad es una mezcla de un vino de crianza (una selección de barricas de El Nómada, criado en roble francés durante 14 meses) junto con un vino joven (el último depósito de El Guía, el tinto fresco de la bodega). Una interesante mezcla de tempranillos, mayoritariamente, con un pequeño aporte de garnacha, que se muestra aromático en nariz, con notas de cacao, regaliz, pimienta verde y chocolate amargo, y cremoso, amable y muy frutal en boca. Un vino fresco y alegre que acompaña a la perfección quesos frescos y semicurados, carnes blancas y aves, y pescados con cierta estructura.

El Buscador is a medium aging red in its result, although in reality it is a mixture of an aging wine (a selection of El Nómada barrels, aged in French oak for 14 months) together with a young wine (the last deposit of El Guía, the fresh red from the winery). An interesting mixture of tempranillos, mostly, with a small contribution of Garnacha, which is aromatic on the nose, with notes of cocoa, liquorice, green pepper and dark chocolate, and creamy, friendly and very fruity on the palate. A fresh and cheerful wine that perfectly accompanies fresh and semi-cured cheeses, white meat and poultry, and fish with a certain structure.

LEALTANZA GRAN RESERVA

DOP: La Rioja

Type wine: 24 months

Grape: Tempranillo

Alcohol: 14% Vol

Rojo granate con destellos tejas. Es un vino con mucha complejidad aromática.

Destacan los aromas a frutas confitadas y especias primarias (tostados, vainilla), que dan paso a las notas más opacas, que se desprenden gradualmente (cacao, clavo, tierra húmeda). Entrada en boca con notas dulces potente, con una buena acidez y muy equilibrado. Debido a la suavidad de sus taninos, ofrece sabores de frutos del bosque, matizados por las especias dulces de la madera. Largo postgusto. Acompaña bien todo tipo de caza, estofados y quesos fuertes, como la Torta del Casar. También casa bien con ciertos postres que contengan algún ingrediente amargo, como el chocolate negro. Sugerencias: venado al chocolate.

Garnet red with brick glints. It is a wine with a lot of aromatic complexity. Fruit aromas stand out candied and primary spices (roasted, vanilla), which give way to more opaque notes, which come off gradually (cocoa, cloves, moist soil). Entry into the mouth with powerful sweet notes, with good acidity and very balanced. Due to the softness of its tannins, it offers flavors of berries, nuanced by wood-sweet spices. Long aftertaste. It goes well with all kinds of game, stews and strong cheeses, like the Torta del Casar. It also marries well with certain desserts that contain a bitter ingredient, such as dark chocolate. Suggestions: venison with chocolate.

Gana en frescura y elegancia con cada nuevo embotellado gracias a la rebaja en el empleo del roble, mostrando **una imagen moderna del vino de Rioja** y un mayor carácter de añada.

El Vendimia Seleccionada tiene fruta jugosa (frutos rojos) notas de regaliz y algo herbal que aporta frescor al carácter dulzón de la garnacha. Solo un 20% del volumen ha madurado en barrica de roble, intentando mantener la esencia primaria de la fruta. Es jugoso, de cuerpo medio y tiene taninos muy finos y una textura sedosa.

The Gómez Cruzado Vendimia Seleccionada is a great Rioja red made in equal parts with grapes of the Tempranillo and Garnacha varieties. An easy-to-drink red, with good depth and a good dose of complexity. It gains in freshness and elegance with each new bottling thanks to the reduction in the use of oak, showing a modern image of Rioja wine and a greater vintage character.

The Vendimia Seleccionada has juicy fruit (red fruits), notes of licorice and something herbal that brings freshness to the sweet character of the Grenache. In Valenciso they are experts in the use of cement during winemaking, and this is the first house wine made from start to finish using this material. Thanks to this material, they obtain soft, tamed wines, with very varietal noses and long, full mouthfeels. In this red you will find a lot of black fruit and a smooth and long palate in which fruit is the protagonist.

Organically treated vineyard. Aged in cement tanks for two and a half years. Memories of black fruits. Clean, silky, with very polished tannins.
